

Node Name	Description	Node A Menu Item	Node A	Node B Menu Item	Node B
start	Hello and welcome to Sam's game! Choose an option.	Play!	choice	Quit.	quit
choice	You see two games on the floor in front of you. Choose which one you would like to play.	Minecraft.	minecraft	Monopoly.	monopoly
monopoly	You excitedly start a game of Monopoly. An hour passes. A day passes. A week passes. This game is going nowhere.	Start over.	start	Quit.	quit
minecraft	You reach for minecraft but as soon as you touch it, you get sucked inside! Out in the distance you see a village.	Run to the village.	village	Mine a tree.	tree
village	You run. And run. And run. Did I mention that it was really far away? Well, you run out of hunger.	Start over.	start	Quit.	quit
tree	As any good beginner does, you start to mine a tree. You can now make a tool. What will you make?	Pickaxe.	pickaxe	Axe.	axe
pickaxe	You make a pickaxe and start to dig down. Straight down. Didn't anyone teach you not to do that? You fall into a cave.	Start over.	start	Quit.	quit
axe	You make an axe and now can mine even more wood. What will you do next?	Make a pickaxe.	pickaxe	Make a sword.	sword
sword	Now that you have a sword, you kill some animals and eat some food to replenish your hunger. Where will you go from here?	The village from earlier.	villageTwo	A nearby ravine.	ravine
villageTwo	It was further than you thought. You make it... but barely. You're out of food and weak. Suddenly you see Jack Black.	Start over.	start	Quit.	quit
ravine	You start to explore a ravine but it just keeps getting deeper and darker. You have to make a choice!	Leave!	leave	Forge ahead!	keep
leave	Wow, you're a scaredy pants. A bat quickly flies in front of your face and you pass out due to fear.	Start over.	start	Quit.	quit
keep	Just what I like to see. After some more exploration, you find an Ancient City. If I'm being honest, I'd leave. This place is creepy.	Leave!	leave	Explore it!	explore
explore	Hmmmm, interesting. You find a chest and open it, finding full, enchanted diamond armor! And.. an egg? Well, you throw it.	Run!!!!	run	Throw the egg.	egg
run	You sprint off but your loud footsteps attract the attention of the Warden! It starts to speed up, catching up with you, and you get scared.	Start over.	start	Quit.	quit
egg	Interesting strategy. You stay perfectly still and throw the egg. By some miracle, it spawns a baby chicken! Terrified! You run.	Play again!	start	Quit.	quit
